CANA VINEYARDS & WINERY

Harvesting Good Cheer

Look no further than Cana Vineyards for your private event. Take in the hillside views outside, visit our warm and welcoming tasting room, celebrate in our four-season Sunset Pavilion, or enjoy our private second floor Harvest Room with views.

Wine & Other Beverages

Enjoy our large selection of award-winning wine. The wine minimum is \$400 or \$10 per adult guest, whichever is greater. Parties of 15 or fewer guests do not have a wine minimum. Event wine is sold at 15% off retail price. Prices exclude Virginia State Tax (6%).

While you may bring in non-alcoholic beverages, Virginia state law does not allow for any alcoholic product other than our own wine on premises, even if it is in a sealed bottle. However, for an entire facility rental, you may serve beer and liquor with an ABC banquet license.

Food

Daytime events may order lite fare from our tasting room or use drop-off catering. On-site, full-service catering is not allowed for daytime events. Entire facility rentals require the use of an approved full-service caterer.

Entertainment

For entire facility rentals only, you are welcome to hire a DJ or musician, or bring your own music. You may also play a slideshow or presentation on our two 70" TVs—one in the upstairs Harvest Room and one in the main tasting room—when renting the entire facility.

Arriving & Departing

Your event space becomes available for use at the beginning of the three hour rental period when hosting a daytime event. Entire facility rentals are allotted two hours of set-up prior to the event start time. We require that all decorations, food, and other belongings be removed by the close of your event.

Furniture

Canva will provide tables and seating in a pre-approved arrangement to fit your rental space. We will discuss your party's needs when you book your event. Entire facility rentals include tables and seating for up to 200 guests.

Decorations

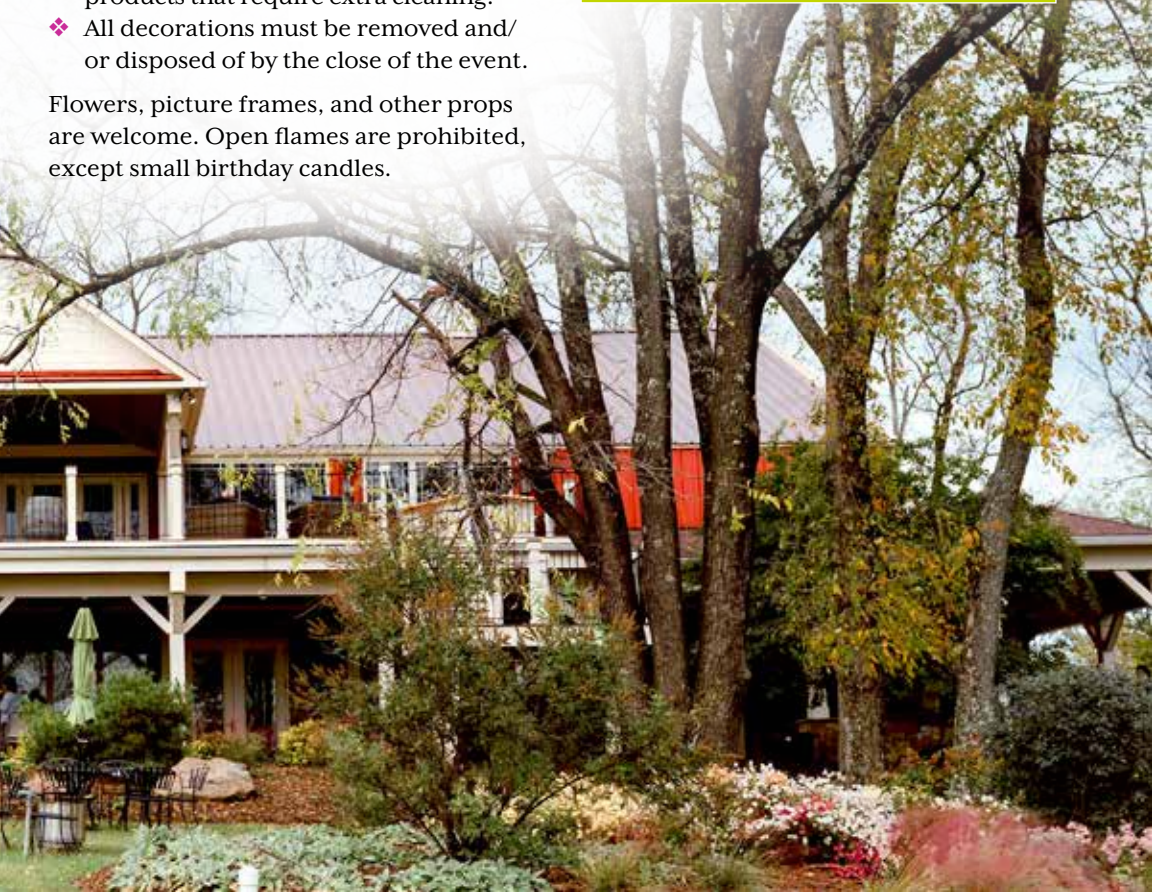

You are welcome to dress up our facility for your event. Please note:

- ❖ Nothing may be nailed, taped, or otherwise attached to doors, windows, walls or screens.
- ❖ Please refrain from using fireworks, glitter, confetti, or glitter/confetti-filled balloons, confetti cannons or other products that require extra cleaning.
- ❖ All decorations must be removed and/or disposed of by the close of the event.

Flowers, picture frames, and other props are welcome. Open flames are prohibited, except small birthday candles.
